

Alabaster Column Wall Sconce

BEFORE YOU BEGIN

Switch off power at the breaker before beginning any electrical installation work. If you are not comfortable with mains wiring, we recommend hiring a licensed electrician. Confirm your ceiling, wall, or surface can support the fixture's weight before mounting.

INSTALLATION STEPS

1. Hardwires to a standard wall junction box; a licensed electrician is recommended.
2. Indoor dry locations only Mount center 60–66" above the floor at a vanity, or align with adjacent elements
Use LED only, max 7W, 2700–3000K warm white; avoid halogen bulbs
