

### Farmhouse Dual-Shade Chandelier

#### BEFORE YOU BEGIN

Switch off power at the breaker before beginning any electrical installation work. If you are not comfortable with mains wiring, we recommend hiring a licensed electrician. Confirm your ceiling, wall, or surface can support the fixture's weight before mounting.

#### INSTALLATION STEPS

1. Installation Guide Direct wired installation to a standard ceiling electrical box Height adjusts from 21in to 27in to suit different ceiling conditions Compatible with a dimmer switch We recommend installation by a licensed electrician.
2. Turn off power at the breaker before beginning installation.
