

Organic Travertine Wall Lamp

BEFORE YOU BEGIN

Switch off power at the breaker before beginning any electrical installation work. If you are not comfortable with mains wiring, we recommend hiring a licensed electrician. Confirm your ceiling, wall, or surface can support the fixture's weight before mounting.

INSTALLATION STEPS

1. Wall-mounted; hardwired connection requiring professional installation by a certified technician.
2. Mount to wall using included hardware Hardwired electrical connection — professional installation recommended LED is integrated and not designed for individual replacement
