

Ribbed Glass Pendant Light

BEFORE YOU BEGIN

Switch off power at the breaker before beginning any electrical installation work. If you are not comfortable with mains wiring, we recommend hiring a licensed electrician. Confirm your ceiling, wall, or surface can support the fixture's weight before mounting.

INSTALLATION STEPS

1. Installation Guide Hardwired down-rod mount to a standard ceiling electrical box Rod is adjustable using the included segments, up to 46in maximum Minimum hang height is 28in Compatible with sloped ceilings up to 15 degrees UL Certified for dry locations only We recommend installation by a licensed electrician.
2. Turn off power at the breaker before beginning installation.
