

Slim Alabaster Copper Sconce

BEFORE YOU BEGIN

Switch off power at the breaker before beginning any electrical installation work. If you are not comfortable with mains wiring, we recommend hiring a licensed electrician. Confirm your ceiling, wall, or surface can support the fixture's weight before mounting.

INSTALLATION STEPS

1. Wall-mounted using a bracket attachment.
2. Attach the mounting bracket to the wall using included screws Connect wiring using included wire nuts (hardwired models) Fixture houses an integrated, non-replaceable LED
