

Travertine Base Table Lamp

BEFORE YOU BEGIN

Switch off power at the breaker before beginning any electrical installation work. If you are not comfortable with mains wiring, we recommend hiring a licensed electrician. Confirm your ceiling, wall, or surface can support the fixture's weight before mounting.

INSTALLATION STEPS

1. Freestanding table lamp — no hardwiring required.
2. Plug in and operate via the in-line push-button switch.
3. Not dimmable.
