

Travertine Wood Pendant Light

BEFORE YOU BEGIN

Switch off power at the breaker before beginning any electrical installation work. If you are not comfortable with mains wiring, we recommend hiring a licensed electrician. Confirm your ceiling, wall, or surface can support the fixture's weight before mounting.

INSTALLATION STEPS

1. Ceiling-mounted, connecting to an existing ceiling electrical point.
2. Connect to an existing ceiling electrical point Fit the bulb and secure the canopy Shorten the cord during installation to set the desired hanging height Simple assembly; a qualified electrician is recommended if unsure
